

Bucks and Berks Recruitment Ltd deals with office-based recruitment within the Thames Valley. Although we have a low impact on the environment we recognise that we have a duty of care to our clients, candidates, and employees, and as part of our environmental policy we will:

- Recycle waste paper whenever possible.
- Recycle toner cartridges.
- Recycle all computer hardware and software.
- Make this policy available via our website to the clients, candidates and employees.
- Ensure individual branches implement and maintain this policy.
- Engage with our suppliers to reduce unnecessary waste when supplying us with goods and services.
- Follow the systems prescribed in ISO 14001.

Commentary

Bucks and Berks has formed a successful partnership with one their suppliers. They collect our waste paper and toner cartridges for recycling.
